

The Pinske Edge is here to help - we're your source for solid surface fabrication tools, consumables, material handling equipment, cabinet making products, fabrication of solid surface (shower pans, signage, thermoforming), and much more. If you are a current customer, **THANK YOU** for helping us be what we are today. If you are not a current customer, we invite you to see the **Pinske Edge difference**.

- We listen to and care about our customers
- We're large enough to handle your needs and small enough to be personal and flexible
- We'll go the extra mile for you and exceed your expectations

Make plans to join us at the upcoming ICE (International Countertop Expo) in Las Vegas – Oct 20 – 22, 2011 - www.issfa.org

UPDATE CONCERNING GEM 11" SANDING DISCS - 3M recently announced plans to discontinue Hook It II sandpaper. For future, we will be carrying the same microns in 11" Hook It Paper. Once inventories of Hook It II have been depleted, users will need to purchase one of two things to continue using their GEM 11" Sander. Item #5851 – Hook It Replacement Pad - \$31.95 (for use once all your Hook It II paper is depleted) and/or the #5852 – Conversion Pad – Hook It II to Hook It - \$ 24.95 – (for using both Hook It and UNTIL all your Hook It II is depleted) **This 3M announcement will also affect all sizes of Trizact papers which are currently Hook It II - check your supplies of "on hand" paper and contact us with any questions.**

CHECK OUT OUR WEBSITE for other closeout items with some great prices – There are SUPER DEALS on some Dynabrade Sanders, Hot Rods for protecting countertops, Glue Caddies, bits, etc.
