

THE PINSKE EDGE

#91505 TABLE EXTENSIONS

Table Extensions extend the Shaper 6' on each side.

To Mount the Extensions..... Transfer holes on Mounting Block under Rail to the side of the Shaper where the material will feed through the machine. Use A 17/64 Drill Bit and then tap with a 5/16-18 NC Tap. Attached with 5/16 supplied Bolts. The 10/32 Flat Head supplied Screws will mount the leg to the rail.
